JAPANESE RESTAURANT

こんにちは. いらっしゃいませ! (Hello. Welcome!)

It's nice to see you at Oishii!

美味しい (Oishii) simply means "delicious" in Japanese.
Exactly what we hope our guest would say after tasting our dishes!

Our restaurant was created from me and my son's shared love for Japanese cuisines and a passion to bringing people together through great food, warm hospitality and memorable experiences.

Here is the start of my story. I moved from Bangkok to London in 1990, bringing with me a lifelong passion for food and hospitality.
Growing up in a family of restaurateurs in Thailand inspired my love for authentic cooking and sharing it with others.

After introducing Thai cuisine to customers across London, I moved to Hertford in 2000. This is where I opened Hertford's first Thai restaurant named Thai Rack. Over the years, I expanded to several restaurants. Now I have three restaurants in Hertford, "Oishii Japanese Restaurant", "Elle's Kitchen" and "The Golden Dragon".
I also have another restaurant in Stanstead Abbotts called "Khunnai Thai Restaurant" which recently added the sushi bar.

We are committed to bringing authentic Japanese food to Hertford with providing the best premium quality meats and sushi grade fish.

The greatest reward has been the support of our customers. Many have been with us from the very beginning. It's been a pleasure to watch customers come and return to Oishii over the years.

I would like to thank you all for being a part of our journey.
Whether you are visiting for the first time or returning as a regular guest.

We hope you enjoy your meal and looking forward to welcoming you again soon.

ありがとうございます.

(Thank you very much)
